which ceased a night and wal restored. Author Sturday
On Stunday morning II was found evacuated. On Moron commanding the 2d brigade, 3d division, had invested the first to discover the action and takes possession. The main faces of Gu. Schoeldiff, corps, miderationally from Smithville to Winnington. As soon as the surrender was discovered at the General's bestignaries across the river, he ordered an immediate advance of the lines, when it was the surrender was discovered at the General's bestignaries across the river, he ordered an immediate advance of the lines, when it was discovered that stirminiates were, left in his front. His trops were pushed vigorously to control the control of the lines when it was discovered, but having no cavalry it is not yet assecration how far House in the advance.

In the fort were found twolve guas of heavy called and a constderable out are attacked and a constderable capital careflixed annual.

[Special Dispatch to the Chicago Tribume.]
Sr. Loun, Wednesder, Feb. 22.
A heavy rain storm in this riemity interrupted the telegraph last night. The State
Convention has taken notice of the speeches
of one of its members at a meeting where
violent interference with its sessions was
threatment A resolution to expel Mr. 84.
Gem was debated and several substitutes offared. Sr. Gem finally disclaumed the idea of
naing any force but most smallow. On this

fared. St. Gem finelly elicialmed the idea of using any force but moral smallor. On this disclaimer the matter was temporarily taked over. The Convention threatens an adjournment to Jefferson City, its the leaders of the discognizing movement are already assumed of their proceedings, and their efforts have ended in a very mild petition said to be signed by four thousand signatures. The Convention is queltly proceeding with its labors, though a personal spat between Drake and Bush took place to-day.

Daily reports received from Pilot Knob, Robb, Springfield, Cape Girardson, Jestington, Jeson and singlar military posits mention the death of one or more querilla lenders, indicating a rapid thimsing our of that sorty of shiften in the interior.

President Incoln, at the solicitation of Compressman King, law supernoted the death of one or more querilla lenders, in the interior.

President Incoln, at the solicitation of Compressman King, law supernoted the death of the control of the con

PROM NORTH CAROLINA.

Navaras, Sunday, Feb. 10.—The speech of Mr. Haines, delivered on the 20th uit., is at-tracting much attention. His argument fa-voring a restruction of the Union is as fan-less as it is able. The irresponsible rence-sentative in in not half so great as was that of his march from Datton to Savannah. The Northessaid being in the best possible spirits over their present brilliant moments.

On motion, the House then faid the whole subject on the table by fourteen majority.

ST. DOMINGO. MORING MEAT—I have to

teres. Gov. Oglesby is a man of the people, accessible to all, in season and out of season, and this fact his Secretaries appreciate.

Interpretate Tracture—The Barcau of Military Statistics, at Albany, N. Y., on Monday received from Maj. Gen. Butterfield the Sac of the 10th regiment New York volunteers. This fine was explained from the 10th in the Visginia campaign of 1805-2, and recaptured by General Sicerman's army at the capital on the recent march through Georgia. The basier is much worn, the lower part being torn into abroda, portions of which we gone. The spear has the mark of a shot, and the flag of servenil. Twice a taxophy, no common indetest is attached to this banner.

He seemed anxions to explain the settors where here presented by the Government it avidence against him, and, while he assistited their unthersiteity, dended that they were written with any treasonable intestion, being chiefly holited in a spirit of peat, without any thought on his part of practically received the peating of the seement that he intended to go to go any thought on the part of practically received the seement that he intended to go to go any the seement that he intended to go to go any the seement that he intended to go to go any the seement that he intended to go to go any the seement that such was here and the seement that he intended to go to go any the seement that he witnesses have testified correctly, so far as they know, asserts that such was hereon its seement that the winnesses his or ordered, but the first seement the seement that he witnesses here testified correctly, so far as they know, asserts that such was hereon the single of the seement that the winnesses here testified correctly, so far as they know, asserts that such was hereon the single of the seement that the winnesses here testified correctly, so far as they know, as series that such was here the self-seement that the winnesses here testified correctly, so far as they know, as series that such was here the self-seement that the winnesses here testified correctly, so far as they know, and seement that the winnesses here testified correctly so far as they know, and seement the self-seement that the winnesses here testified correctly so far as they know, and seement the self-seement that they will be parteally so the seement that they will be parteally so the seement that they will be parteally so the seement the self-seement that they will be parteally so the seement that they will be parteally so the seement that they will be parteally so the seement that they will be seement that they will be seement that they will be seement the seement that they will be seement that they will be seement that they will be seement that they

appeared in the trial now pending in the city of the pending in the city of the prisoners on trial before will only be three prisoners on trial before the Billiany commission flow in contino. Of the original cight, Cantrill was granted a severance, Dantell has excepted, Marmaduke and Semmes are already disposed of, though the finding of the court is not yet made public, leaving Julius Buckner S. Moeris, Charles Walsh, and Colonel G. St. Leger Grennell to prepare a defense to the charges against them.

The defense in the consulvacy case commence the examination of their witnesses users Thursday afternoon, and will probably excupy two or three weeks, as they have a large number of witnesses to produce.

FROM ST. LOUIS.

FROM ST. LOUIS.

Hevolutionary Proceedings Corruptions in Arkansas to Braff in Masses of Braff in Masses of Braff in Masses of the Correspondent of the State Convention by force. The real objection to the Convention is carefully concealed—it is this, that the Convention has adopted vertain the Convention is carefully concealed—it is this, that the Convention has adopted seriating that the convention has adopted seriating the existence of a Supreme Being, and the obligations of all ment is not a being and the obligations of all ment is not a bright of the convention of all ment is not a bright of the convention of all ments in the accordance of a Triune God is not a matter to be incorporated into a State Constitution. This is the source from which all their objections flow. The leaders in the movement propose to procure as many signatures as they can be petitions asking the Convention to adjourn, and then have he petitions carried to the Convention by the signature of the German States in the compensation of the convention is one of them made a speech on Saturday at a second secting of the maleonients, wherein he rirutally advises his fracture in the convention. No objection is officed to the ordinance of emancipation or the flat anchiesses in the convention of the convention, at its sate states is a pottage. The convention, at its sate states is a pottage and adjourned. The whole movements as a pottage on the freedom of the convention as a pottage on the freedom of the convention as a pottage on the freedom of the convention as a pottage on the freedom of the convention as a pottage on the freedom of the convention as a pottage on the freedom of the convention as a pottage on the freedom of the convention as a pottage on the freedom of the convention as a convention of the conventio contrary lasses measures are applauded. The convention, it is said should have competed their and adjourned. The whole morements are outrage on the freedom of the convention, and is spurned and secured at by nine feeths of the community. The conservatives are adjighted and egg on the disorganizers of the contract of the convention of the convention of the convention of the convention of the first the first caused, no aurpoise here. The entergound abuses practiced in Arkansa, from fort familit to Heinen, have long cossed to be a theme of remark. The removal of the first famility of the removal of the first famility of the first famility are returned in discovering that omething was rotten in Definancy. He has sendenverse to carry out various measures of reform in the State, and has partially succeed. The removal of General Lands of the state of the contract of the first contract of the firs

derivet the whole number of men furnished from all the districts of the United Shaes up to that dait. The remainder will be the critistive. Multiply the call of December 15, 1864, by three, to have the number of pears of service upon that call, and to this and the excess as accordanced above. Then, as the rumber of men enrolled from the whole this excess as accordanced above. Then, as the rumber of men enrolled from the whole this excess as accordanced above. Then, as the required to durate, mainly the control of the control
